

eelsnot®

A great little jar of pure value

A conversation of the benefits of eelsnot, what we at Board Sports ETC, LLC believe in and some of what the future has planned.

eelsnot

eelsnot[®] Defined

eelsnot[®] - A Board Sports ETC, LLC. Product

eelsnot[®] was designed by Toby West; a dedicated extreme water sports enthusiast and certified beach bum hailing from Oahu as well as the Big Island of Hawaii. In his never ending quest to go out farther and ride faster he combined his inherent laziness and hesitancy to part with a buck, Toby developed his miracle compound to address multiple needs:

- A. Reduce drag and increase speed on water.
- B. Fill in scratches and dings to extend the life of your board or boat.
- C. Protect and maintain the surface of your prized possessions.

eelsnot[®] has proven to be far more successful in all these areas than originally anticipated, creating a few incredible side effects that have amazed the boating community and water sports enthusiasts alike.

eelsnot[®] *effectively* helps reduce algae and marine growth.

Take the time you sacrificed in the past to polish and buff and get out there.

Enjoy the water instead!

*The 1.5 oz. jar of **eelsnot[®] Board Therapy** will coat a skim board for approximately 10 full applications.

*The 20oz tub of **eelsnot[®] Boat Therapy** will coat a 40ft boat for approximately 1 full applications.

"A great little jar of pure value"

eelsnot® *has won the confidence of Boarders, Boaters and Retailers in the U.S.A. and abroad in less than one years' time.*

A little More About **eelsnot®**

eelsnot® and Boards Sports ETC, LLC are both environmentally friendly.

Our product DOES NO HARM!!

We can only hope that someday other manufacturers of watersports compounds and coatings will see fit to abandon the use of ***Zinc, Copper and other harmful elements*** in their products. It is our goal to honor the environment and those that take care of it.

eelsnot® and Board Sports ETC. LLC Proudly sponsors some of the finest Skim Boarders, Surfers, Wake boarders, Stand up Paddlers and several other extreme athletes in the world. We also value our relationships with several racing sailboats.

We work with event coordinators to sponsor Skim Boarding competitions on both the East Coast, (Skim U.S.A.), West Coast, (United Skim Tour), The Sperry Top Sider Sailing Race Week in Charleston, SC and many other trade shows in the U.S. to educate the world and advertise our product and its benefits. Let us work for you too!

Come see us, and the **eelsnot® Truck** at the Skim USA ZAP Skim boards PRO-AM East Coast Contests, Virginia Beach Boat Show, The Sperry Top Sider Charleston Race Week and who knows where else!

eelsnot® can be found at reputable Surf and Sail Shops around the world. We would like to add you to that list! Check us and our current vendors out online!
